THE UNIVERSE EXPANDS, SO DO WE.

Dr.S.P.Singh, Ex MLC
Founder & General Manager
Lucknow Public Schools & Colleges

The last two years rocketed us into two drastic realities- harsh and virtual. The pandemic was stark and the virtual was welcome. Lucknow Public Schools & Colleges kept on striding towards the right track. Did its best and overcame difficulties. We could do it just because, we decide specific criteria of sustainable competitive advantage. We build valuable capabilities in faculties and students to avert the threats of future competitions, making them aware of the future opportunities. As a Founder & General Manager of Lucknow Public Schools & Colleges, I always try to improve the effectiveness of operations within our circumference, such as effective student-centric teaching, impressive communication skills and global competition - oriented preparation. If universe expands, so do we. Our ICSE / ISC, CBSE and UP Board results have been commendable. Happy to share that our three students became 2nd India toppers in ISC Examination-2022, securing 99.50 percent marks. Many of our students were selected in IIT-JEE and NEET etc. Our clearly articulated strategic vision is to enable our students to acquire their aspirations by steering their mental, physical and spiritual energies in career making. For attaining so, I regularly monitor the staffing for the institution with the much needed skills and subject expertise. I urge esteemed parents to motivate their wards to pursue the target energetically. The target is to complete the syllabus in time, as per standards set by LPS. From this session, two new LPS branches will start functioning ; one at Aseni Turn, Old Highway, Barabanki and another at DLF Garden City, Raebareli Road, Lucknow. In addition to this, Lucknow Public College of Pharmacy will also start soon at Madhoganj, Hardoi. With the concerted joint efforts of parents and schools, students will get better results, simultaneously increasing their competitive spirit and future-making employability factors.

Lucknow Public Schools & Colleges

Since our establishment in 1983, the objective of imparting Quality Education to young minds to help them groom into a complete person, is also growing bigger. Each of our education body is imparting value based education to each of our children to develop cognitive excellence that is making the real difference. The school also emphasizes on physical and socio-emotional development to ensure the complete grooming of the child. Putting an exceptional effort to make a positive change to bring an education paradigm, LPS allows young learners an introspective and analytical ability to assimilate the creativity.

Where each student is groomed into a leader

Creating Entrepreneurship And Manifesting Potentialities

- We understand the value of child education through the Montessori and Kindergarten systems used throughout the world.
- The school imparts education at Pre-Primary, Primary, Middle, Secondary and Senior Secondary levels with the aid of the latest amenities.
- Individual attention is given to each and every child.

Vision We. The Lucknow Publicans

- Ensure all round development of each child.
- Recognize the maximum benefit of any service to children through close co-operation of parents and other educational workers in the field.
- Provide latest aids and educational apparatus to create a suitable atmosphere for teaching-learning process.
- Welcome suggestions from parents, well wishers and educationists for the betterment of the society.
- Work for the highest standard in the quality of staff and equipments in all the branches with the latest amenities.
- Re-affirm our belief in the value of high-quality education in the early years knowing that only good education can change our destiny.
- Build a child's self esteem projecting his/her personality profile.

Mission

- To remove ignorance from the society and prepare children for achieving academic excellence and success in life.
- To produce cent-percent results in ICSE/ISC, CBSE and U.P. Board Examinations.
- To stimulate imagination for positive attitude building through study techniques and effective communication.
- To produce conscientious competitors and builders of the nation.
- To encourage children to pursue various anti-pollution campaigns and an ecological awareness to create a pollution free environment.

Morning Assembly

Each day begins with prayers to the Almighty to bless us to do the day's work with sincerity and honesty. Pledge, Thought for the Day and News Reading are distinctive features of the Morning Assembly. Class wise/House wise Assemblies give all the students an opportunity to develop leadership, communicative skills and self-confidence.

Atmosphere of Competitive Examinations

Every year our students appear and get through various competitive examinations like IIT., JEE, N.D.A., P.C.S., I.A.S., CLAT, NEET, BITS. (Pilani) and NIFT etc. Classes for various competitive exams run in the school campus. Many students join prestigious colleges & universities every year for higher education. In order to prepare these students for such competitions classes are run and variety of books are made available in the libraries.

Gala Felicitation

- Laptops, multimedia computers, tablets, digital cameras, bicycles, strolleys, medals and other attractive prizes are given to the top rankers of class X & XII (all Boards). The teachers and parents are also felicitated for their valuable contribution in a Grand Felicitation Ceremony presided over by eminent personalities of different fields.
- Awards and prizes are given to those students also who perform well in Home Examinations and other co-academic activities/competitions organized by the school and other organizations.

Providing Role Models And Facilitators

The students are provided with a horizon of thought by organizing interactive sessions with eminent dignitaries. Dr. A.P.J. Abdul Kalam, Prof. Simon George, Dr. Devi Singh (Director, IIM), Prof. R.K. Khandal (VC, UPTU), Prof. S.K. Sopory (VC, JNU), Prof. S.B. Nimse (VC, LU), Prof. Anil Raina (Prof. Punjab University) are few of them. Other popular personalities from Sports, Music, Fine Arts, Performing Arts and other fields are also invited and interactive sessions are held.

Faculty

A highly qualified and experienced staff ensures the realization of the mission set by the Management.

Student Council

House system functions at Primary, Middle, Secondary and Sr. Secondary levels for an overall development of students. College Captain, House Captain, Vice Captain and Prefects are appointed to inculcate the feeling of responsibility and trust.

Academic & co-academic

SPECTRUM OF QUALITY EDUCATION

Career Counselling

In order to find the best suitable options for higher studies and to keep up with the current job trends, regular counselling sessions are held. It includes information of different courses, jobs in private & government sectors both, related to all fields and courses offered by the foreign universities as well as Indian universities of all areas. Learned career counsellors from different fields are invited from time to time to make students aware of different competitions & career options

A book "Sapne Aur Rozgar Ki Raahein" has been written by the Founder & General Manager, Dr. S.P. Singh himself, providing information regarding various job platforms. The revised and second edition of the book was launched by Honourable Governor of U.P. and is also available in the school library.

Self Exploratory Learning Forum

The teachers offer elaborate, coherent, practical and project based study packages to the students. Audio-visual rooms, in particular, are there facilitating teaching aids for special learning domain.

Special Emphasis on Spoken English

In the era of globalization, English has become a universal language therefore the institution lays strong emphasis on Spoken English by conducting numerous activities and by using various teaching aids.

LPS Publications

The school publishes bulletins in the name of The Profile (three editions) and Annual Magazine in an academic year to encourage literary skills among the students. It also keeps the parents in touch with regular activities and general information of the school. A beautiful Coffee Table Book is also there containing the History and achievements of the institution.

School Website

Co-ordination and co-operation between the school and the parents is essential for the all round development of the students and the best way to strengthen this bond is through the college website www.lps-lpc.org which furnishes all the details about the institution and keeps the parents informed about the school activities. Details regarding any of our esteemed branches, its history, stream and its infrastructure as well as any other information can now be easily viewed. Students have been facilitated to download school prospectus, admission form, school activity calendar, time table of Tests & Examinations from this website. The prescribed syllabus for each term from Classes I to XII is also accessible on this website. Facts concerning any particular branch can be found on its branch portal.

Digital Classes

LPS provides digital classes with the most up-to-date information available. All the classes at our branches are 100% digital. Students these days are tech-savvy. With the introduction of digital classes, educating the students has become even more interesting and enjoyable. By following this technology the students are able to understand tough topics, difficult scientific models and Mathematics construction along with their concepts with the help of 2D and 3D visual aids. It also makes their practical lessons comprehensible in Physics, Chemistry, Biology, Maths, Science, English and Robotics. It empowers our teachers with a virtual syllabus through which they are able to interact with the students while teaching by applying various interactive tools available in the solution. In Pre Primary, the digital classes work as edutainment (education + entertainment) as through animated characters and cartoons they learn the basics supported by various exercises.

Library

Various magazines, journals and books written by eminent personalities and authors have been introduced in the school libraries to keep the teachers and students updated with current information and knowledge. Library period has been introduced from Class I onwards. The Library is affluent with autobiographies, fiction, diversified reference books touching all related fields.

No Bag System & Activity Based Learning

To reduce the burden of carrying textbooks and encourage creative thinking among children, we have introduced 'No Bag System' for our pre-primary children. We also encourage students to actively participate in their own learning experience through hands-on activities. Learning by Doing is what we always promote at LPS.

LPS App

The school has its own app which aims to bridge communication gap between parents, teachers and students. The app covers the entire spectrum of school communication that facilitates growth and easy access to shared resources and information.

Facilities for Sports & Games

The school provides facilities for a wide range of sports and games. Expert coaches are employed to train the students for their all round development. Our students have shown their excellence in all the following games and many others:

- Basket Ball
- Hand Ball
- Badminton
- Volley Ball
- Swimming
- Tug-of-war
- Lawn Tennis
- Football

- Scout & Guide

Inter-School Activities

- In order to provide exposure to the outside world and to build a healthy competitive spirit and confidence among the students, the school ensures participation in various competitions and activities organized by other schools & organizations. The school itself organizes many interschool events.
- Students regularly participate and bring laurels to the school by participating in various State, National and International level competitions.

SMS Alert Cell

Besides the Home Work Diary which acts as a major bridge of communication between the teacher and the guardians, the school has an SMS Alert Cell also which keeps the guardians informed on their mobile about their ward's irregular attendance, punctuality, involvement in any undesirable activities, if any and other important information. This way school shares the responsibility with the guardians in the proper grooming of their wards.

Open Gym

Physical fitness is one of our prime concerns. To promote it among students and staff, the school offers Open Gym facility at many of its branches.

Synthetic Courts & Turfs

Sports is equally important in a student's life. To make sports an overall enriching experience for students, the school follows International standards of sports. It has furnished its various branches with synthetic courts and turfs for different sports.

International Achievements

The school is not just known for its performance at the national level but at the international level as well. Our students have participated in various cultural as well as sports events organized at international level and have left an indelible mark on everyone involved in the event. Our students have been to other countries also representing India for various activities. Xenium, the Annual Fest of LPCPS has students participating from various countries each year.

Project Work (S.U.P.W.)

Project Work on different subjects has been introduced in the curriculum up to Class XII to encourage their involvement in extra-curricular activities, social issues and to explore their innovative skills.

Computer Education with Coding and AI

Compulsory Computer Education is imparted to the students from Class I to VIII and Class IX to XII as an optional subject. Keeping the need of future in view, the school has launched Coding and AI to introduce children to logical thinking and problem solving and prepare them for future market ventures.

Zero tolerance against Child Abuse

Through Project CACA (Children Against Child Abuse), the school promotes safety for children at school. The project empowers children through life skills and value education. Through various workshops, it builds school's capacity on legal, clinical and academic aspects of child rights, abuse prevention and gender equality.

Active Participation in Social Welfare

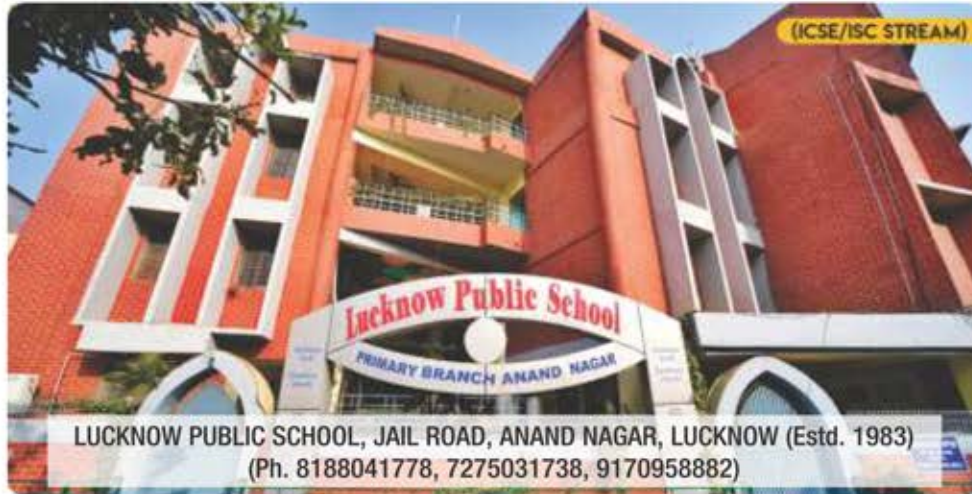

Lucknow Public Charitable Trust has come up with an initiative - Goal4All (Greenery, Orphanage, Aged and Lending) which is committed to help the needy and bring a positive change in the society.

Donation and help is provided (monetary and otherwise) by the students, staff and the Management for the victims of the various Natural Disasters causing havoc in the country.

Students collect sweets, clothes, books, toys and share these things with those at orphanages and old homes. School contributes to the environment by conserving rainwater through awareness programmes, plantation and rain water harvesting. Thus, students are made to realize the importance of our natural resources.

Time to time adoption of animals in the zoo by the institution makes the students aware of their wonderful fellow beings.

- A fine of ₹ 200/- will be charged if the card is lost or damaged.
- Books are issued to the borrower and should not be lent to anyone else.
- All books should be returned before the beginning of each exam. Failure to do so will debar the students from appearing in the exam.

Laboratory Rules

The school has well-equipped laboratories to carry out experimental work. The following rules are to be followed in the laboratories:

- Equipment for use in the laboratory will be issued to the students as per rules laid down by the School.
- No equipment is to be taken out of the laboratories without a written permission.
- In case of any damage, expenses for the repair of the equipment during practical lessons will be borne by the student.
- Any item issued from the laboratories must be returned before the Annual Examination and a No Dues Certificate obtained from the Science teachers should be submitted to the Class Teacher to allow the students to appear in their Annual Examination.

School Identity Card

- Students should have their identity card in their possession at all times when they come to school or go elsewhere in school uniform to represent the college.

Fee Schedule

- Fee must be paid by the prescribed dates.
- Fee is charged in instalments as given in fee card. Fee must be paid at school fee counter through cheque or demand draft. The fee can also be deposited online through Pay tm.
- All dues are to be paid up to the 10th of every month.
- Fee can also be paid with a late payment of ₹ 100/- on 20th and ₹ 200/- on the last working day of the month. Thereafter, the name of the child will be struck off the register. Re-admission can be granted on payment of ₹ 500/- with the approval of the Principal.
- If a child is withdrawn in the mid-session, minimum six months fee will be charged.
- No exemption or deduction in fee will be made for holidays or for the absence.
- The students will not be allowed to appear in the test/examination and report card will not be shown unless all the dues have been cleared.
- It is compulsory to bring the fee card at the time of depositing the fee.
- Any fee deposited once is non refundable.
- A special concession of ₹1000/- will be granted by the Principal/Manager if the fee of the whole session is deposited in the beginning of the session.

Boarding House Rules

1. Immediately at the time of admission, parents should equip their wards with the prescribed uniform, other clothes and articles as per list provided by the school. The child's full name and the number allotted by the warden to every boarder at the time of admission should be clearly marked on each and every garment belonging to the boarder, so that the clothes do not get changed or misplaced.
2. Parents are requested to ensure that no extra items of clothing etc. are sent either with the children or by parcel/hand during the year.
3. Stationery like copies, pen, pencils etc. whenever required is to be provided by the guardian.
4. It would be mandatory to have an injection of triple antigen against diphtheria, whooping cough and tetanus given to every child by a qualified doctor before admission and subsequently at regular intervals as per advice of the authorized physician. A certificate regarding proper vaccination is to be submitted at the time of admission.
5. No boarder is allowed to leave the campus without permission from Hostel Warden and except with parents/guardians.
6. No leave during the midterm will be allowed to any boarder except in case of serious illness in the family or marriage of a real sister or brother. No leave will be granted unless there is a written application by parents/guardians. The application should reach the office at least four days in advance.
7. Generally parents/guardians are allowed to visit their wards twice a month. This includes holidays of main festivals given by the school. The details of the visiting days and visiting hours will be informed to the parents/guardians after the admission of their ward.
8. Parents should give two month's notice if they intend to withdraw their ward from the boarding house.
9. A boarder may be asked by the school authorities to leave the boarding house on any of the following grounds:-
 - a. Constant poor performance in studies
 - b. Behavioural problem
 - c. Stealing habit
 - d. Possession of obscene literature, pan masala, narcotics, drugs and other undesirable things.
10. Parents/guardians should give an undertaking that they would abide by the rules framed by the Hostel/School Management
11. Parents should obtain the identity card from the school for the two visitors of their wards. Parents are also requested to submit two passport size photographs of the visitors at the time of admission. The identity card is valid only for the person to whom it has been issued.

School Uniform

1. The details of school uniform can be obtained from the school office.
2. Uniform should be bought from the authorized dealers only.
3. Any change in the colour and design of the uniform will not be allowed.

Reservation of Rights

- The Managing Body of the School reserves the right to add/amend/waive off any of the rules and regulations contained in the Prospectus without assigning any reason thereof.
- The interpretation of any of the rules and regulations as contained in the Prospectus rests solely and entirely with the Managing Body of the School. Its interpretation shall be final and binding on Parents/Guardians and students of this institution.
- All disputes are subject to Lucknow Jurisdiction only.
